

ENCOURAGED ACHIEVER

As an **Encouraged Achiever** you are strong at taking action, you have big dreams, and you know that your potential is as great as anyone's.

Like all people, there are times when your dreams are unclear, your action is weak, or your belief in yourself is tried. However, you push through and recover quickly, learning along the way.

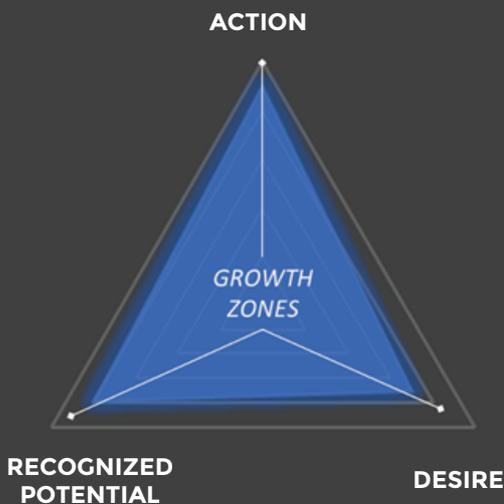

As an individual you are a phenomenal achiever, making great progress. Where you need to turn next is in supporting others and teams in doing the same.

Your actions, desire, and potential are tremendous assets that should be leveraged to support others in the achievement of their goals.

As you leverage these assets to support others, you'll find that new avenues for fulfillment, satisfaction, and achievement open up.

You are an **Encouraged Achiever** and that is exciting! Don't stop here though, keep pushing yourself, and support others in their achievements
