

RATIONAL ACHIEVER

You're strengths in setting goals and taking action are tremendous assets, they just need connected to a bigger personal purpose.

Leveraging those strengths and looking for the deeper meaning behind your actions can help you start to create a meaningful purpose.

You may have spent too much time believing that through your dreams and your actions you would "find" purpose. However, it's important to acknowledge that purpose is something you create, not something you find.

In this way you can truly appreciate all of you the progress you're making and the true long-term potential that is within you.

You are a **Rational Achiever** and that is exciting!

As a **Rational Achiever** you have strong goals and skilled at taking action. You've made great progress and likely accomplished several meaningful goals.

Your greatest opportunity is in fully recognizing your long-term potential.

While you have big dreams and you take action, there are times that you struggle to see how it all fits into who you are ultimately becoming.
